

POLICY REVISION AND REVIEW

In an effort to keep its written policies up to date so that they can be used consistently as a basis for North Middlesex Regional School Committee action and administrative decisions, the Committee will review its policies on a regular basis.

In its review, the Committee will evaluate how policies have been implemented. It will consider feedback from school staff, students, and the community when revising policies, as appropriate.

The Superintendent is expected to bring to the Committee's attention all policies that are out of date or, for other reasons, appear to need revision.
