

POLICY DISSEMINATION

The Superintendent is directed to establish and maintain an orderly plan to preserve and make accessible the policies adopted by the North Middlesex Regional School Committee and the regulations necessary to implement them.

Accessibility is to extend at least to all employees of the school system, to members of the School Committee, and, insofar as conveniently possible, to all persons in the community. A policy concerning a particular group or groups in the schools will be distributed to those groups prior to the policy's effective date.

All policy manuals distributed to anyone will remain the property of the School Committee and will be considered "on loan" to anyone or any organization in whose possession they may be at any time. They are subject to recall at any time deemed necessary for updates.

The School Committee's policy manual will be considered a public record and will be available for inspection at the Superintendent's office.
