Y.E.S.
(Youth Expanding Service)
Community Service Program and Contract

One of the distinctive characteristics of the United States is on our conviction that everyone can make a difference through volunteer service. This is reflected in the trend of colleges asking for community service involvement as one of their criteria for acceptance. The Y.E.S. program provides our students with the opportunity to get involved through voluntary service locally to make a difference in their own neighborhood communities.

The Y.E.S. Program is your responsibility

Self-motivation and self-reliance are two important parts of the Y.E.S. Program. It is up to you to find volunteer opportunities that meet the program criteria and to make your own arrangements to work for the organization. We do not schedule, nor communicate with the agency on your behalf. It is up to you to find opportunities, submit hours online, and keep track of your hours for recognition.

You must have a signed contract turned into the counseling suite (A140) as well as having an account on POINT to track hours before you are accepted into the Y.E.S. program. If you receive credit from another club or organization, you cannot claim Y.E.S. hours for the same volunteer work. To join POINT: https://dash.pointapp.org/sign-up then join our organization by searching: FBISD – Ridge Point High School

Please review the Y.E.S. guidelines for all rules prior to submitting hours.

- Perform 100 hours of service prior to March 31st of senior year to receive a Y.E.S. medal at graduation.

- All hours are subject to random verification as well as the Y.E.S. coordinator's approval.

Falsification of any service hours will result in permanent dismissal from the Y.E.S. Program.
