

3RD - 5TH GRADE CMS LAUNCHPAD AT HOME -- CHROMEBOOK

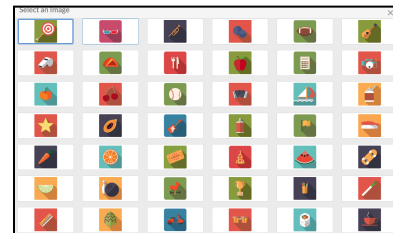

1. Students should open the Chromebook lid to turn it on.
2. Students will see a login screen. This is the CMS LaunchPad login screen.

3. Click the **username** box. Type in your **Student ID Number**.
4. Click the **password** box. Type in your password.
5. Click **Sign In**.
6. Click on the **gray box with the ?**.

7. Select the MFA image that you chose.

8. Students will be prompted to enter their CMS email address to pass through the Zscaler screen.
9. A student's email address is:
StudentIDNumber@student.cms.k12.nc.us
10. You will see the CMS LaunchPad.
11. If the Zscaler screen does not appear, open a new tab and go to any website.
Example: Open <https://soraapp.com/library/cms>
