VOE

Requesting a VOE

The Verification of Enrollment and Attendance (VOE) form provides documentation of enrollment and attendance status to the Texas Department of Public Safety (DPS), as provided by law, in order to apply for and/or obtain a learner's license and/or license to operate a motor vehicle.

****NOTE** Texas law requires 90% attendance. Therefore, if you have excessive absences, you do not automatically qualify for the VOE. Your request will have to be reviewed and approved by an Assistant Principal before it is granted.**

Once you have submitted your request, **it is your responsibility to retrieve the VOE** from the Counselor's office at your lunch time or before/after school hours.
