MEET THE TEACHER!!

About Me

Hello 3rd grader and family! I am your new teacher, Mrs. Tamburini. I grew up in Voorhees, New Jersey. I graduated from Stockton University and completed my Masters Degree through Wilmington University. I also am Orton Gillingham certified through IMSE. This is my 12th year teaching at Van Sciver. I love teaching 3rd grade because I get to watch you grow so much as an independent learner. I am so excited to get this year started and learn more about YOU!
