**School-Parent Compact  
Boca Raton Elementary School  
School Year 2027**

Dear Parent / Guardian,

The faculty, staff, parents, and students of Boca Raton Elementary School agree that this compact outlines our shared responsibility for boosting student academic achievement. The compact details how our school and families will cultivate a strong partnership to ensure every child meets the state's high academic standards.

Please review the School-Parent Compact below.

**School's Academic Goals:**

- **Literacy:** Building strong reading foundations so that at least 55% of 2nd graders perform at or above grade level.
- **Mathematics:** Supporting our students in math so that 70% of our students show measurable learning gains.
- **Science:** Helping more students master science skills so that at least 62% of 5th-grade students achieve proficiency.
- **Attendance:** Improving daily attendance by reducing the percentage of students with 10 or more absences from almost half to 30% or fewer.

**The SCHOOL agrees to work with students and their families to support academic success in all core subjects by:**

- Providing incentives for at-home math and literacy initiatives.
- Hosting Family Nights focused on foundational math, literacy, and STEM skills to empower parents in helping students meet grade-level standards.
- Communicating all assignments, activities, and school events through multiple channels and in diverse languages.
- Assisting students in finding and tracking their own learning data and progress within their online portals.
- Offering flexible, ongoing opportunities for parents to meet—in-person or virtually—to discuss their child's education.
- Explaining current assessment results and interpreting performance data so parents can effectively guide their child's academic growth.

**PARENTS agree to support student success in all core subjects by:**

- Encouraging participation in at-home math and reading incentive programs.
- Attending school family events to learn practical strategies that reinforce classroom instruction at home.
- Monitoring home internet use to ensure children engage with programs aligned with their school curriculum.
- Staying informed by reading weekly updates and checking the school website for home-learning ideas.
- Assisting with homework and reviewing daily school communications.
- Ensuring children attend school daily, arrive on time, dress appropriately, and uphold all Eagle EYES expectations.

**STUDENTS agree to collaborate with teachers and parents to learn and grow by:**

- Maintaining a consistent daily routine dedicated to home study.
- Participating in at-home literacy initiatives and signing an at-home reading contract.
- Bringing home all notes and announcements, or notifying parents when updates are posted on Google Classroom or ClassDojo.
- Utilizing educational websites and any printed materials to enhance literacy skills.
- Balancing entertainment time by keeping TV and internet use to family-approved limits that prioritize schoolwork.
- Arriving at school every day on time, prepared to learn, and following all Eagle EYES expectations.
- Reviewing take-home folders daily and completing all assigned tasks.

Please sign and date below to acknowledge that you have received, read, and agreed to this School-Parent Compact. We will revisit this agreement with you during family events throughout the year as we work together for your child's success. We look forward to a fantastic partnership!
