

THE TONY G LEGACY SCHOLARSHIP

FIVE DECADES OF COACHING.
A LIFETIME OF IMPACT. A LEGACY THAT LIVES ON.

In the fall of 1977, Tony G took over the boys' soccer program at H.G. Hoffman High School in South Amboy.

What began as a coaching position became a 50-year journey that would shape generations of young athletes—and an entire community.

50 SEASONS. COUNTLESS LIVES. ONE INCREDIBLE LEGACY.

Through championship runs and rebuilding years, victories and challenges, Tony's commitment never wavered. He brought passion to the game, but more importantly, he brought something far more lasting: mentorship, character, discipline, and a belief in every young person he coached.

MORE THAN WINS AND LOSSES.

Tony's greatest impact was never measured only by wins and losses. It was measured by the countless young men he coached, the lessons he taught, and the lives he touched along the way.

For five decades, Tony has been more than a coach. He has been a mentor, a role model, and a constant source of inspiration for generations of South Amboy student-athletes.

A NIGHT TO CELEBRATE. A LEGACY TO CONTINUE.

On **OCTOBER 24, 2026**, friends, former players, students, coaches, family and community members will come together to celebrate Tony's remarkable 50-year coaching legacy with a night of memories, laughter and friendship.

But the celebration is only the beginning.

That's when the idea for the Tony G Legacy Scholarship was born.

Instead of simply celebrating Tony's remarkable career, we wanted to create something that would continue his impact on future generations of South Amboy student-athletes.

TURNING A LEGACY INTO A FUTURE

THE TONY G LEGACY SCHOLARSHIP

was created to ensure that Tony's impact continues long after the final whistle.

Rather than simply honoring what Tony has accomplished, we are investing in the young people who will carry his lessons forward.
