

WHAT IS A PARENT & FAMILY ENGAGEMENT PLAN?

- These plans address how the district and school will implement the parent and family engagement requirements of ESSA. Components should include:
 - decision-making and activities;
 - how parent and family engagement funds are being used;
 - how information and training will be provided to families; and
 - how the school will build capacity in families and staff for strong parent and family engagement.
- You, as a Title I parent or family member, have the right to be involved in the development of these plans.
- Our Family Engagement Plan can be found on our school website.
