Back-to-School Information

2026-2027 Registration Open!

Registration is open for Lincoln Academy. This is a required process for Lincoln families and all steps must be completed for all students before they return to school.

Step 1: Complete required annual registration in [Infinite Campus](#)

- Forgot your username and/or password? [Personal Account Manager](#) can help you reset your account
- Before you get started, we encourage you to read these [directions](#) to guide you in completing registration.

- This is the one time of year where you can adjust your FERPA opt-in/out options. Please remember to **OPT IN** to Jeffco publications if you would like your student to appear in the yearbook.
- You will be asked to update emergency contacts for your student(s). These contacts are any adults who the school can reach out to if there is an emergency and the parents/guardians cannot be reached. Please ensure phone numbers are accurate. They are also how the school knows who is allowed to pick up your student(s) at the end of the day.

Step 2: While on Infinite Campus, click on “More” to see Quick Links. Here you can:

- **Complete** the [Student Benefits Application](#)
 - Families are not required to complete this form, however **all** families are **strongly encouraged** to apply as it will help with additional education funding for the school and may allow families to **waive school-related fees**
- **Pay student fees** - please note the school yearbook is listed as an “optional fee” that can be added to your student account. This option will drop off the fee list in October and you will need to order it from the school website after that occurs.

Step 3: Complete Lincoln Academy’s [Registration Checklist](#)

- This registration includes confirmation that you have reviewed and agree to the following items:
 - Lincoln Academy [Family Handbook](#)
 - Student/Family/School Agreement
 - Lincoln Academy [Student Technology Acceptable Use Policy](#)
 - *Please ensure you review and agree to the [Technology Acceptable Use Policy Agreement Form](#) included in this link. One agreement is needed for EACH student prior to them using Lincoln Academy Technology.

Donations Wanted by Friday, August 14 to Help Make our Back-to-School BBQ a Success!

Are you able to help provide supplies or help us make connections with friends or family members who work for businesses that might be willing to donate supplies for our Back-to-School BBQ?

All proceeds from our Back-to-School BBQ go towards helping our middle school students raise money to attend educational trips this year. The more donations supplied, the more our students earn as they work this event. Items we are looking for (ALL items must be delivered in factory-sealed packaging):

[Click here to donate items to our BBQ](#)

- Hamburgers (frozen patties)
- Hot dogs (frozen)
- Hot dog/hamburger buns
- Cheese - sliced American for cheeseburgers
- Chips (individual serving-sized bags)
- Condiments (ketchup, mustard, relish)
- Aluminum trays for storing the cooked burgers and hot dogs
- Bottled water (cases of 16 oz bottles)

- Ice/Coolers

If you have any questions, please reach out to us at the email address below. We need the donations by August 14. Remember to log the time spent shopping and delivering these items on Track It Forward to count towards your 20 volunteer hours for the year!

Back-to-School BBQ and Supply Drop Off

Our schoolwide Back-to-School BBQ and Supply Drop Off will be Tuesday, August 18. This is an open house event where parents/guardians and students are welcome to come, meet their teachers, see their classrooms and drop off supplies. Our middle school students will also be hosting a BBQ as a fundraiser so families are welcome to have dinner on campus as well.

Our suggested schedule for the evening to help with traffic/parking flow is:

- 4:00-5:00 Families with last names A-I
- 5:00-6:00 Families with last names J-R
- 6:00-7:00 Families with last names S-Z

We developed this schedule to help with traffic congestion but recognize that it may not work for all families. Please come as you are able. If parking is full on campus, please park in the neighborhood in appropriate parking places and walk in.

Make sure you stop by the courtyard in front of the main lobby. Families will be able to pick up their Driveline number, the schedules for 5th-8th grade students, and meet with the school clinic to drop off medications. PTO will be present with Spirit Wear, school calendars and information on upcoming events. The Board of Directors will be present to welcome you as well.

Students in grades **PreK-6th** should bring all of their school and community supplies with them to drop off in their classrooms.

Students in **7th and 8th** grade can bring their community supplies to drop off, but should keep their individual supplies to bring in their backpacks the first day of school. They will also have the chance to see their classrooms and meet their teachers.

PTO Membership

At Lincoln Academy, everyone is part of our community! Our PTO is a vital organization that bridges families and staff through community and fundraising events. Lincoln PTO will no longer be requiring a membership fee to be considered a member of PTO. Just simply [complete our registration form](#) to become a PTO member.

Traffic Update

Oak to Kipling Restoration Work Update

The 72nd Avenue Restoration Project was approved by the City Council in July. Construction is scheduled to begin in late August and is expected to be completed in November.

Planned Work

Work is expected to take 4 to 5 months to complete including:

- Water line replacement
- Oak intersection improvements
- ADA curb ramps
- Sidewalk and bike lane connections on the east side
- Sidewalk repairs on the north side of W 72nd
- Repaving the existing two-lane road (Oak to Lee Ct.)
- Repaving side streets via the Pavement Program (72nd Pl., 71st Pl., 70th Dr.)
- Replace street light bulbs to correct brightness issues
- North entrance improvements at Lincoln Academy
- Sidewalk connections
- W 72nd Ave left turn lane
- Miscellaneous repairs and clean up throughout the corridor

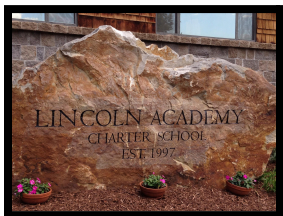

Updates will continue to be included on the [project webpage](#).

Project Changes Reminder

Early this year, and due to considerable cost escalation, the City decided not to proceed with construction of the underpass at the railroad for the W. 72nd Avenue widening project. More information about this decision remains available on the W. 72nd Project webpage.

The City remains committed to the initial intent of the 2018 ballot measure to improve safety and traffic flow through the corridor. Restoration work is planned from Kipling to Oak streets. For the long term, the City will continue to evaluate the feasibility and associated costs of an at-grade crossing and widening.

Mission and Vision

The **Mission** of Lincoln Academy Charter School is to help students attain their highest social and academic potential through an academically rigorous, content-rich educational program in a safe, orderly, and caring environment.

Our **Vision** is to prepare all students for their future endeavors by providing a comprehensive Core Knowledge education.
