

Dear Kindergartener,

Hello! Can you believe it's almost September and you are going to be in Kindergarten? I hope you are getting excited!

I will see you at our OPEN HOUSE, on Wednesday, September 2nd. At the Open House, you will get to meet me and visit the classroom. You will also be able to put away your kindergarten supplies that you will be bringing to school.

Each family will come to the session according to the initials of your last name (see attachment). Please limit a maximum of 2 family members to bring along with you. This is a big day for YOU. Unfortunately, younger siblings and babies are discouraged from attending.

Please bring all of your Kindergarten Supplies to school with you on Wednesday, September 2nd. All community items you are bringing to school, can be brought in a plastic or brown bag. Please don't label these items with your name. I will have larger bins in the classroom where you will place the community items when you arrive.

Enjoy the last few weeks of summer.
Get ready for a terrific Kindergarten Year!!!

Your Teacher,
Mrs. Dykas

MRS. DYKAS AUGUST 2026

Welcome to the wonderful world of Kindergarten at VanSciver School. I am looking forward to an exciting new school year and the opportunity to work with you and your children.

To help make the first days of school productive, I would like to provide some information to help familiarize you with Kindergarten life.

Please have your child's personal supplies ready and labeled when you arrive at our OPEN HOUSE.

I also have set up a Classroom Wish List on Amazon that I will share with you at Open House.

The first few weeks of kindergarten will focus on setting routines, getting to know your children, establishing classroom rules for our learning environment, and making new friends.

I hope you enjoy the last weeks of summer. Looking forward to meeting you. Any questions, please contact the school office at 856-869-7730.
