Dear Parent/Guardian,

2026-2027

The Kenmore-Town of Tonawanda UFSD is pleased to announce that all students will receive breakfast and lunch at NO COST throughout the 2026-2027 school year through the Community Eligibility Provision (CEP).

What Does This Mean for Your Child?

All students enrolled in the Kenmore-Town of Tonawanda UFSD are eligible to receive one breakfast and lunch at school at no cost, every school day, for the entire 2026-2027 school year.

How Can You Help?

We are asking families who meet the income eligibility guidelines to complete a Household Income Form. If your household has qualified for free or reduced-price meals in the past by completing a Free and Reduced-Price Meal Application or Household Income Form, it is important to complete a new Household Income Form each school year. Eligibility information must be updated annually to ensure your household continues to be considered for programs and benefits for which you may qualify, including Summer EBT benefits.

Completing the Household Income Form helps get benefits beyond school meals such as resources for classrooms, fee waivers for college applications and admission tests (SAT & ACT), federal and state funding, and funding for computers and technology.

Because eligibility for Summer EBT and other benefits may be based on household income information, we encourage all families who meet the income eligibility guidelines to complete and return the Household Income Form.

PLEASE NOTE:

- Your child will receive breakfast and lunch at **NO COST** whether or not you complete the form.
- The form should only be completed if your household meets the income eligibility guidelines.
- Information provided on the form helps the district maximize funding and resources for our students.

If you have any questions, please do not hesitate to contact the Food Service Department at 716-874-8400 ext. 20331

Sincerely,

Patrick Smith
Food Service Director

***** VERY IMPORTANT *****

Please fill out one income worksheet per household.

The Ken-Ton school community will provide our students with the supports, tools and diverse opportunities needed to meet the challenges of an ever-changing world.
