MEET THE TEACHER!!

Mrs. Dougherty

About Me

Hello 3rd grader and family! I am your new teacher, Mrs. Dougherty. I grew up in Chester, New Jersey. I graduated from Fordham University and moved to Haddon Township in 2013. I live with my husband, Ryan, and three kids Conor, Landon and Marley. This is my 15th year teaching and 13th year at Van Sciver. I love teaching 3rd grade because I get to watch you grow so much as an independent learner. I am so excited to get this year started and learn more about YOU!
