

Welcome to 4th Grade!

Dear Students and Families,

I am Mrs. Wagner, and I am so excited to be your 4th grade teacher! We are going to have an amazing year filled with learning, new experiences, and lots of fun. I can't wait to get to know each of you and learn together!

READING

We will read a variety of stories and real events. You will build your skills, grow your vocabulary, and think deeply about what you read.

WRITING

You will write stories, share your ideas, and learn how to express yourself clearly and confidently.

MATHEMATICS

We will solve problems, explore patterns, and learn important math skills like multiplication, division, fractions, and more.

SCIENCE & SOCIAL STUDIES

Mrs. Broadhurst will be your teacher for these subjects! You will explore amazing topics about our world, how things work, and the people and events that shape our history.

Enjoy a fun, safe, and relaxing summer!
I can't wait to see you in September
for an exciting year ahead!

See you soon! ♡

Mrs. Wagner
