Meet Your Teacher

Ms. Burch – Room 141

A MESSAGE TO 5TH GRADE PARENTS

Hello Parents and Students,

Welcome to an exciting new school year! My name is Ms. Burch, and I am thrilled to be joining you this school year in 5th grade as your science and social studies teacher!
I look forward to partnering with you to make this a successful, engaging, and memorable year of learning.

In Science, students will explore the world around them through hands-on investigations, experiments, problem-solving activities, and collaborative discussions. We will study topics that encourage curiosity, critical thinking, and a deeper understanding of how our world works.

In Social Studies, students will learn about history, geography, government, economics, and the people and events that have shaped our nation and world. Through reading, discussion, projects, and inquiry-based learning, students will develop important skills as thoughtful citizens and lifelong learners.

My goal is to create a classroom environment where every student feels safe, respected, challenged, and supported. I encourage students to ask questions, take risks in their learning, and always do their best!

Warmly,
Ms. Burch

PLEASE ENCOURAGE YOUR CHILD TO:

- Come to school prepared and ready to learn each day.
- Complete assignments on time.
- Read regulary and stay curious about the world around them.
- Communicate with me when they need help.
