See you in September,
Ms. Birdwell, Mr. Hengst, Ms. Burch

It is extremely important that 5th graders know their basic math facts, especially multiplication, in order to be successful in 5th grade math. Please continue to work towards mastery of these facts for the remainder of the summer.

All students who applied to be Ambassadors for the 2026-2027 school year will receive assignments within the first few days of the school year.
