

Welcome to the 2026-2027 School Year!

Dear Parents and Guardians,

Hello! My name is Robin Kelty, and I will be your child's teacher for the upcoming school year. I am excited to welcome you and your child to our class family. This is my ninth year teaching at Van Sciver Elementary and I can't wait for the learning to begin again in LC3!!

I'd like to introduce myself and provide a bit about my background. I have my B.S. in Behavioral Science and hold N.J. teaching licenses in K-6 and Special Education K-12. I have been providing ABA therapy since 2003 in both educational and clinical settings from early intervention through age 70. I believe in creating positive and meaningful learning experiences for the children in my care. Additionally, I have begun a graduate program through Fairleigh Dickinson for certification as a Dyslexia Specialist.

I am looking forward to getting to know your kids, or learning more about them, this year. Your children will also get to hear about my own family in our room. My husband and I have three wonderful children, two amazing grandsons, and two puppies named Luna and Ollie. We also run a hobby farm with crops, chickens, ducks, goats, and bees.

I've been getting LC3 ready to welcome your child! The Haddon Township website has additional information for school opening procedures and the school year calendar. Please feel free to contact me through the school phone number, 856-869-7730, or by email, rkelty@htsd.us if you have any questions or concerns. I'm so excited to be a part of the growth I know your child will experience this year and can't wait to see you in September!

Sincerely,
Mrs. Kelty
