August 2026

Dear New Second Grader,

My name is Mrs. Evans. I am your new second grade teacher! I hope that you are enjoying your summer with your family and friends!

Our classroom is one where every student is cared for and valued. We encourage students to support each other and share their unique talents and celebrate our differences. This year we will practice using a growth mindset and encourage students to view challenges as learning opportunities.

For the first day of school, please bring in one of your favorite books you can read independently and a photograph of a special moment from over the summer. Enjoy the rest of your summer, see you in September!
