Meet the teacher
Ms. DiCrecchio

Hello Families! My name is Veronica DiCrecchio and I will be your child's teacher for this year! I have previously taught 2nd grade Inclusion as well as Kindergarten and 1st grade MD. This will be my third year in Haddon Township and I'm so excited to see what this year has in store for us!

My philosophy of teaching is that each child has the right to learn in a safe, welcoming and inclusive classroom environment, where they are encouraged to learn through exploration and interests.

Fun Facts!

- I've wanted to be a teacher since I was 5 years old!
- My fiancé and I have 3 cats, named Taquito, Luna and Leo
- I love all Earth tone colors
- My favorite hobby is crochet
- My happy place is the beach!

Communication

ClassDojo will be used for communication as well as behavior support in our classroom. I love ClassDojo because it makes communication easy for families and myself, as well as having you see your child's points they earn everyday! There also will be times where I will post pictures of fun activities we do, send out reminders for events coming up, etc.

Please text me a picture of your child for a project we are doing on the first day back to school! Along with the picture please send me your email so I am able to connect you to Dojo. 856-562-7815

I'm so excited to meet all of you! I hope you have a great rest of your summer! Stay safe!
Ms. DiCrecchio
