37. Principal Amount Expected to be Financed: \$487,161.17 WHEREAS, the Lessee named above (the "Lessee") is a political subdivision of the State of New Jersey (the "State") and is duly organized and existing pursuant to the Constitution and laws of the State;

WHEREAS, pursuant to applicable law, the Lessee acting through its governing body (the "Governing Body") is authorized to acquire and lease personal property necessary to the functions or operations of the Lessee;

WHEREAS, the Governing Body hereby finds and determines the execution of the lease-purchase agreement ("Equipment Lease") in the principal amount not exceeding the amount stated above (the "Principal Amount") for the purpose of acquiring the equipment described generally below (the "Equipment") and to be described more specifically in Exhibit A, Description of Equipment, attached to the Equipment Lease, is appropriate and necessary to the functions and operations of the Lessee;

Brief Description of Equipment: (1) 39 Passenger Bluebird School Bus, (1) 54 Passenger Bluebird School Bus, and (1) 24 Passenger Thomas School Van.

WHEREAS, First Hope Bank, A National Banking Association (the "Lessor") is expected to act as the Lessor under the Equipment Lease;

WHEREAS, the Lessee may pay certain capital expenditures in connection with the Equipment prior to its receipt of proceeds of the Equipment Lease ("Lease Purchase Proceeds") for such expenditures, and such expenditures are not expected to exceed the Principal Amount; and

WHEREAS, the Lessee hereby declares its official intent to be reimbursed for any capital expenditures made for the Equipment after adoption of this resolution but prior to the issuance of the Equipment Lease from the Lease Purchase Proceeds.

NOW, THEREFORE, Be It Resolved by the Governing Body of the Lessee as follows:

1. The Lessee hereby determines that it has critically evaluated the financing alternatives and that entering into the Equipment Lease and financing the acquisition of the Equipment thereby is in the best interests of the Lessee.
2. The Lessee is hereby authorized to acquire and install the Equipment and is hereby authorized to finance the Equipment by entering into the Equipment Lease. Any action taken by the Lessee in connection therewith is hereby ratified and confirmed.
3. Either one or both of the School Business Administrator or the Board President (each an "Authorized Representative") acting on behalf of the Lessee is hereby authorized to negotiate, enter into, execute, and deliver one or more Equipment Lease in substantially the form set forth in the document presently before the Governing Body, which document is available for public inspection at the office of the Lessee. Each Authorized Representative acting on behalf of the Lessee is hereby authorized to negotiate, enter into, execute, and deliver such other agreement or documents relating to the Equipment Lease (including, but not limited to, escrow agreements) as the Authorized Representative deems necessary and appropriate.
4. By a written instrument signed by any Authorized Representative, said Authorized Representative may designate specifically identified officers or employees of the Lessee to execute and deliver agreements and documents relating to the Equipment Lease on behalf of the Lessee.
5. The aggregate original principal amount of the Equipment Lease shall not exceed the Principal Amount and shall bear interest as set forth in the Equipment Lease and the Equipment Lease shall contain such options to purchase by the Lessee as set forth therein.
6. The Lessee's obligations under the Equipment Lease shall be subject to annual appropriation or renewal by the Governing Body as set forth in each Equipment Lease, and the Lessee's obligations under the Equipment Lease shall not constitute indebtedness of the Lessee under the laws of the State.
7. It is hereby determined that the acquisition of the Equipment is permitted under the laws governing the Lessee and is essential to the efficient operation of the Lessee.
8. The Governing Body of the Lessee anticipates that the Lessee may pay certain capital expenditures in connection with the Equipment following adoption of this resolution but prior to the receipt of the Lease Purchase Proceeds for the Equipment. The Governing Body of the Lessee hereby declares the Lessee's official intent to use the Lease Purchase Proceeds to reimburse itself for such Equipment expenditures. This section of the resolution is adopted by the Governing Body of the Lessee for the purpose of establishing compliance with the requirements of Section 1.150-2 of Treasury Regulations. This section of this resolution does not bind the Lessee to make any expenditure, incur any obligation, or proceed with the acquisition of the Equipment.
9. The Lessee covenants that it will comply with all requirements of the Internal Revenue Code of 1986, as amended, (the "Code") necessary to ensure that the interest portion of rental payments due under the Equipment Lease will be excluded from gross income under Section 103(a) of the Code. The Lessee reasonably expects it will not issue more than \$10,000,000 of tax-exempt obligations (other than "private activity bonds" that are not "qualified 501(c)(3) bonds") during the calendar year in which each of the Equipment Lease is issued and hereby designates each Equipment Lease as a qualified tax-exempt obligation for purposes of Section 265(b) of the Code. The Authorized Representative is further authorized to take such actions and execute such documents as may be necessary to ensure the continued status of the interest portion of the rental payments due on the Equipment Lease authorized by this resolution as excludable from gross income for federal income tax purposes pursuant to Section 103(a) of the Code.
10. This resolution shall take effect immediately upon its adoption and approval.

38. Approval to participate in a cooperative pricing system. **WHEREAS**, N.J.S.A. 40A:11-11(5) authorizes contracting units to establish a Cooperative Pricing System and to enter into Cooperative Pricing Agreements for its administration; and **WHEREAS**, the Garfield Board of Education hereinafter referred to as the “Lead Agency” has offered voluntary participation in a Cooperative Pricing System, known as the Champions Unified Purchasing Alliance (“CUPA”), for the purchase of goods and services; and **WHEREAS**, on June 15, 2026 the governing body of the Morris Hills Regional District Board of Education, County of Morris, State of New Jersey duly considered participation in a Cooperative Pricing System for the provision and performance of goods and services; **NOW, THEREFORE BE IT RESOLVED** as follows: This Resolution shall be known and may be cited as the Cooperating Pricing Resolution of the Morris Hills Regional District Board of Education. Pursuant to the provisions of N.J.S.A. 401:11-11(5), the Superintendent is hereby authorized to enter into a Cooperative Pricing Agreement with the Lead Agency. The Lead Agency shall be responsible for complying with all applicable laws, including the provisions of the Local Public Contracts Law (N.J.S.A. 40A:11-1 et seq.), the Public School Contracts Law (N.J.S.A. 18A:18A-1 et seq.), and all other provisions of the applicable statutes and regulations of the State of New Jersey.
