

CHABOT
COLLEGE

Middle College Program

A different high school experience with a flexible path to a high school diploma and a head start on college

A unique partnership between Chabot College and Eden Area Regional Occupational Program (EAROP) school districts, this program connects high school, college, and career exploration in one environment designed for student success.

Students will be part of a small group learning together on the Chabot College campus.

More information coming this fall, including program details, information sessions, and next steps.

All academic and career technical education programs and student support programs and services are open to all students without regard to race, color, national origin, sex, or disability status.
