

Dear Parents,

My name is Miss Hyland and I will be your child's teacher for the upcoming school year. I have been a teacher for seventeen years and this will be my fifth year in Haddon Township! I am looking forward to another amazing year and cannot wait to work with you and your child!

I work hard to create a fun, friendly, and structured classroom in order to create a successful learning environment. Each child is unique and it is my goal to help every child reach their full potential. I am excited to begin this new school year with you and to help your child reach his or her best self!

I believe communication is an important component of a successful school year so please do not hesitate to reach out to me if you have any questions or concerns. You can reach me at my email address phyland@htsd.us.

Thank you!

Miss Hyland
