Mrs Roscoe's and Mrs. DeYoung's Preschool Class Supply List

2 Large boxes of Tissues

Art smock (oversize shirt is fine)

Hand sanitizer (8oz or larger)

Emergency clothes:

(shirt, pants, socks and underwear in a labeled Ziploc bag)

Family photo (please label names on the back)

Quart slider ziploc bags

4 pack of play doh brand play doh

1 can of shaving cream

***Top-open tote bag to carry**

****Daily water and snack** (no juice please)

*The tote bag should be large enough to fit a standard folder and daily snack. A tote bag allows for independent packing/unpacking during the year. ****Please DO NOT BUY a backpack***. Our cubbies are too small to house them and cubbies need to be shared between students.

**Snacks and water should go directly into tote bags *without* a lunchbox. If your child attends full day, their lunchbox will be collected before they come to us.

At our Back to school Open House we will have a list of useful donations to enhance our teaching. These things are mostly dollar tree supplies that we will use throughout the year.

Dear Parents,

Welcome to Edison Elementary School. We are Loren Roscoe and Kerry DeYoung, your children's teachers this year. We are so excited and cannot wait to get to know your child and you during this amazing first experience in school.

For some of you this will be your first school experience as parents. A structured school setting will also be new for many of your children. It is a huge transition filled with a lot of excitement. We are so glad to go through this year together. Throughout the year, your children will learn a sense of self while interacting with others in a safe, secure and loving environment. They will learn a lot of really cool things too!

Preschool will be hosting a "meet and greet" on Wednesday, September 2, 2024 at Edison School. This is a wonderful opportunity when **you and your child** will see where our classroom is located, meet us, drop off any supplies, and ease into the new school year. The visit will be split into several sessions. Please see below for your designated time.

Thursday, September 3rd, 2026 is the first official day of school. Your child will report to school for their regularly scheduled class day. We will be waiting outside the preschool doors to bring your children inside.

If you would like to contact either of us before September 2nd, our emails are listed below. We are truly looking forward to working with you and your children this year.

Enjoy the last few days of summer vacation. See you on September 2nd for visitation.

Warm regards,
Loren Roscoe and Kerry DeYoung
