SEAHAWK SPOTLIGHT - CONGRATULATIONS, FCS ROBOTICS TEAM!

First-ever Seahawks robotics team powers through VEX competition

Four students — Justice Carson, Logan Carson, Colt Brim, and Conner Grosswiler — competed in the first VEX Robotics competition for Panhandle-area schools.

Teachers who completed VEX Robotics training received a full competition field and enough parts to build up to four robots. After the equipment arrived, students had one month to design and build robots that could be operated remotely. Teams were tasked with building machines capable of navigating the course, collecting balls, and placing them in designated scoring areas.

The students said they learned valuable lessons from their first competition and plan to build stronger robots for next year.

The school district also appreciates instructor Kendra McDaniel for her guidance and support throughout the process.

We are proud of you,
Conner, Colt, Logan &
Justice.

A special thanks to
instructor Kendra McDaniel.

HAPPY BIRTHDAY

April 29th - Era Mae Millender

May 1st - Laura Graham

May 2nd - Connie James, Laura Raffield,
Devin Perkins

**ALL STUDENTS
