

Proposed Bond Projects at Atfalati Ridge Elementary School

- Physical Security - Doors/Locks
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$192,979*

*Does not include the cost of technology investments listed above

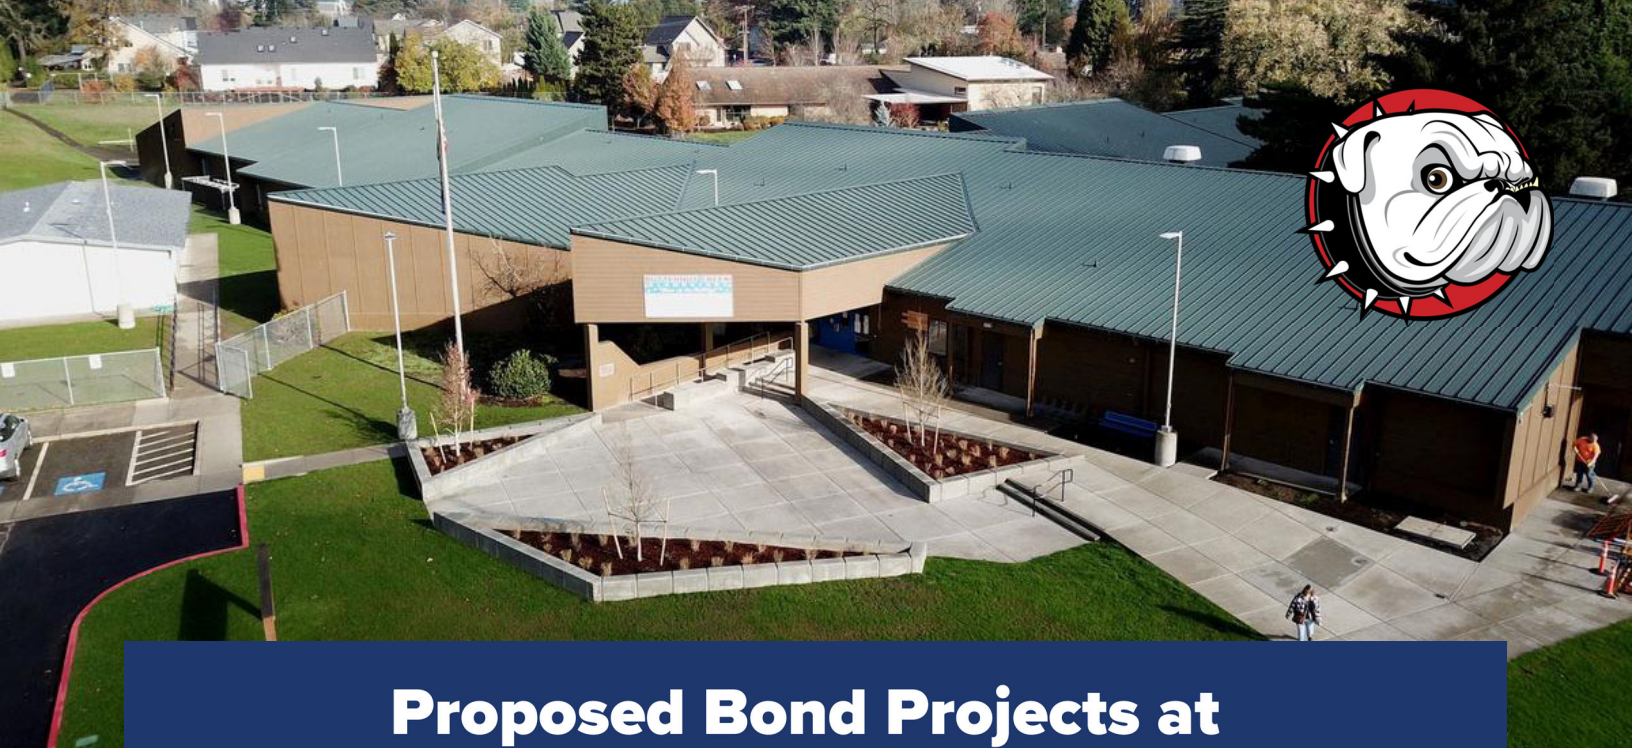

Proposed Bond Projects at Brookwood Elementary School

- Physical Security - Doors/Locks
- Physical Security - Fencing Additions
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$211,898*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Butternut Creek Elementary School

- Accordion walls
- Clock System Upgrades
- Flooring Replacement
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$2,089,185*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Eastwood Elementary School

- Bathrooms - ADA Improvements
- Bathrooms - Renovations
- Clock System Upgrades
- Fire Panel replacement
- HVAC - Equipment Upgrades
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Physical Security - Fencing Additions
- Windows upgrades
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$7,427,115*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Farmington View Elementary School

- Clock System Upgrades
- Fire Panel replacement
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Physical Security - Fencing Additions
- Remediation
- Roofing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$2,858,282*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Free Orchards Elementary School

- Clock System Upgrades
- Lighting upgrades
- Physical Security - Doors/Locks
- Physical Security - Fencing Additions
- Playground - Equipment and surfacing improvements
- Roofing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$3,856,655*

*Does not include the cost of technology investments listed above

GO GRIZZLIES!

Hillsboro Online
Academy K-8

Proposed Bond Projects at Groner Elementary School / HOA K-8

- Clock System Upgrades
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Physical Security - Fencing Additions
- Playground - Equipment and surfacing improvements
- Power Distribution upgrade
- Roofing improvements
- Security Systems - DAS
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$3,394,736*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Imlay Elementary School

- Clock System Upgrades
- Lighting upgrades
- Physical Security - Doors/Locks
- Physical Security - Fencing Additions
- Playground - Equipment and surfacing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$1,065,308*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Indian Hills Elementary School

- Accordion walls
- Clock System Upgrades
- Flooring Replacement
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Windows upgrades
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$2,624,632*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Jackson Elementary School

- Accordion walls
- Fire Panel replacement
- HVAC - Equipment Upgrades
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Playground - Equipment and surfacing improvements
- Roofing improvements
- Windows upgrades
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$10,541,000*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Ladd Acres Elementary School

- Accordion walls
- Bathrooms - ADA Improvements
- Bathrooms - Renovations
- Clock System Upgrades
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Roofing improvements
- Windows upgrades
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$11,886,824*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Lenox Elementary School

- Clock System Upgrades
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Playground - Equipment and surfacing improvements
- Power Distribution upgrade
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$2,708,068*

*Does not include the cost of technology investments listed above

Lincoln Street
Lynx

Proposed Bond Projects at Lincoln Street Elementary School

- Clock System Upgrades
- HVAC - Equipment Upgrades
- Lighting upgrades
- Physical Security - Doors/Locks
- Playground - Equipment and surfacing improvements
- Roofing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$9,428,695*

*Does not include the cost of technology investments listed above

W. VERNE
MCKINNEY
Elementary School

Proposed Bond Projects at McKinney Elementary School

- Fire Panel replacement
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Playground - Equipment and surfacing improvements
- Windows upgrades
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$3,826,359*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Minter Bridge Elementary School

- Bathrooms - ADA Improvements
- Bathrooms - Renovations
- Fire Panel replacement
- Flooring Replacement
- HVAC - Controls upgrades
- HVAC - Equipment Upgrades
- Lighting upgrades
- Nutrition Services - Kitchen Remodel

- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$18,536,651*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Mooberry Elementary School

- Accordion walls
- Clock System Upgrades
- Fire Panel replacement
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Roofing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$10,180,890*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at North Plains Elementary School

- Fire Panel replacement
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Remediation
- Security Systems - Doorbell
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$1,378,205*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Orenco Elementary School

- Lighting upgrades
- Physical Security - Doors/Locks
- Playground - Equipment and surfacing improvements
- Roofing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$3,395,689*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Patterson Elementary School

- Lighting upgrades
- Physical Security - Doors/Locks
- Playground - Equipment and surfacing improvements
- Roofing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$2,895,198*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Quatama Elementary School

- Clock System Upgrades
- Lighting upgrades
- Physical Security - Doors/Locks
- Playground - Equipment and surfacing improvements
- Roofing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$8,040,501*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Reedville Elementary School

- Clock System Upgrades
- Fire Panel replacement
- HVAC - Controls upgrades
- HVAC - Equipment Upgrades
- Lighting upgrades
- Physical Security - Doors/Locks
- Security Systems - Camera additions
- Security Systems - Doorbell
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$961,680*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Rosedale Elementary School

- **Clock System Upgrades**
- **HVAC - Controls upgrades**
- **Lighting upgrades**
- **Physical Security - Doors/Locks**
- **Physical Security - Fencing Additions**
- **Playground - Equipment and surfacing improvements**
- **New phone system**
- **Replace network gear**
- **Student and staff computers**
- **Classroom technology**
- **A/V equipment in gyms, cafeterias, libraries**

Proposed Bond Projects Total: \$3,753,442*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Tamarack Elementary School

- Physical Security - Doors/Locks
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$192,979*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at Tobias Elementary School

- HVAC - Controls upgrades
- HVAC - Equipment Upgrades
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Physical Security - Fencing Additions
- Playground - Equipment and surfacing improvements
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$8,369,836*

*Does not include the cost of technology investments listed above

Proposed Bond Projects at West Union Elementary School

- Clock System Upgrades
- Fire Panel replacement
- Flooring Replacement
- Lighting upgrades
- Nutrition Services - Kitchen Remodel
- Physical Security - Doors/Locks
- Physical Security - Fencing Additions
- Power Distribution upgrade
- Remediation
- Security Systems - Card Readers Additions
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$3,490,255*

*Does not include the cost of technology investments listed above

WITCH HAZEL

Proposed Bond Projects at Witch Hazel Elementary School

- Clock System Upgrades
- Lighting upgrades
- Physical Security - Doors/Locks
- Playground - Equipment and surfacing improvements
- Roofing improvements
- Security Systems - Camera additions
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
- A/V equipment in gyms, cafeterias, libraries

Proposed Bond Projects Total: \$3,099,846*

*Does not include the cost of technology investments listed above

W.L. HENRY
Elementary

WALTER L HENRY
ELEMENTARY SCHOOL

Proposed Bond Projects at W.L. Henry Elementary School

- Accordion walls
- Clock System Upgrades
- Fire Panel replacement
- Flooring Replacement
- Lighting upgrades
- Physical Security - Doors/Locks
- Remediation
- Roofing improvements
- Windows upgrades
- New phone system
- Replace network gear
- Student and staff computers
- Classroom technology
