## SEAHAWK SPOTLIGHT - CONGRATULATIONS, GARY MYERS!

**A steady presence known for compassion, comfort and connection**

Gary Myers has worked at Franklin County Schools for two years as a health aide, supporting students across a wide range of ages and grade levels. In his role, he assists with daily health needs, helps maintain a safe school environment, and provides care and comfort to students throughout the day.

Myers said his favorite part of the job is seeing students smile and greeting them with hugs when they pass through the clinic. He said he values working at FCS because of his love for children and the opportunity to make a positive difference in their lives. His consistent presence and caring approach help create a welcoming atmosphere for students and staff alike.

Franklin County School District thanks Myers for his dedication, positive attitude, and the compassion he shows to students each day.
