SEAHAWK SPOTLIGHT - CONGRATULATIONS, STUDENT ARTISTS!

FCS student artists experience a rare one-on-one learning opportunity with world-class plein air painters

Student Art Day gave students a rare opportunity to work one-on-one with internationally acclaimed plein air artists as part of the 10-day Forgotten Coast en Plein Air festival, one of the world's most prestigious outdoor painting events.

Held at Mexico Beach near the Welcome Center, the event allowed students to create original artwork outdoors alongside professional artists, experiencing the same immersive style practiced in plein air painting, a respected fine arts tradition centered on capturing natural light and scenery in real time. Each piece was signed by the students and framed by volunteers and board members. Students and guests were also invited to lunch at The Wet Room in Port St. Joe, where the artwork remained on display through the end of the festival. There, students had the opportunity to continue exploring additional works from the artists who guided them throughout the day. It was truly a special day and a memorable celebration of student creativity.

The district extends its appreciation to Ms. Countryman for all she does for the students of Franklin County Seahawks, Florida. Congratulations to Kenslie Harris, Flora Millender and Magdalena Diego. Special thanks to School Board Member Melonie Inzetta and Morgan Martin for their support and photos.
