

Educational Rights of Immigrant Students

Access and Opportunity for Every Student

Gateway is committed to the success of all students and to providing a safe and welcoming place for students, their families, and staff irrespective of their citizenship or immigration status. All students, regardless of their immigration status or family background, have the right to attend public school, participate in school activities, and receive a high-quality education in an inclusive and supportive environment.

Campus Access and School Safety

Schools follow legal requirements regarding campus access and do not permit immigration enforcement officers on campus without a valid judicial warrant or court order. Additionally, schools do not request social security numbers or inquire about the citizenship or immigration status of students or their families unless required by law.

Student Information and Privacy

Gateway is committed to protecting student privacy and does not share personal information about students or their family members for immigration enforcement purposes unless legally required by a court order or judicial subpoena.

Know Your Educational Rights

The California Attorney General provides **Know Your Educational Rights: Immigration Enforcement Actions at California's TK–12 Schools**, a guide for students and families.
