Welcome Back, MOSA Families!

Dear Parents, Guardians, and Families,

Welcome to Michelle Obama STEM Academy Elementary!

My name is **Giovanna Alston**, and I am proud to serve as your **Title I Parent Liaison**. As we begin an exciting new school year, I want you to know that **you and your family are an important part of our school community**. We are here to support you every step of the way. Please don't stress—I'm here for you!

The **Parent Resource Room**, located in the main lobby in **Room 1205**, is available to support our families **Monday–Friday, 7:30 a.m.–2:30 p.m.** Virtual assistance is also available for your convenience.

As your Parent Liaison, my role is to connect families with information, resources, opportunities, and support that promote student success. Some of the resources available to families include:

- **Parenting information and family engagement opportunities**
- **Monthly parent and family engagement calendars**
- **Community events and resources**
- **Employment resources**
- **Parent lending library and academic brochures**
- **Computers and assistance with the Infinite Campus Parent Portal**
- **Support with accessing student grades, attendance, progress, and communication with teachers**

I will also maintain a **monthly educational and community information board** to help keep families informed, connected, and engaged throughout the school year.

Let's Stay Connected!

Families are encouraged to stay connected with the school and participate in opportunities throughout the year. Your voice, involvement, and partnership make a difference in your child's education. It is truly my pleasure to serve as a link between **home, school, and community**. I believe that when families and schools work together, we can create a strong partnership that helps every student thrive and succeed.

Please don't hesitate to reach out if you need assistance. I am here to support you and your family!

I look forward to meeting and working with each of you. Let's make **2026–2027** an amazing year of learning, growth, and family engagement!

Warmly,

Giovanna Alston
