

Stevenson High School Board Bulletin

A monthly message from the Board of Education

AUGUST 2026

Welcome to our Stevenson High School Board Bulletin, a monthly message from our Board of Education that will include key updates that impact student life at Stevenson. We are very pleased to share several key takeaways from our most recent board meeting below. Thank you for your engagement on these very important issues! We look forward to staying in touch.

Sincerely,
Stevenson High School Board of Education

KEY TAKEAWAYS

Our board meeting agendas often include many items for discussion. While you will always be able to review the agenda, meeting minutes, and video recordings of these meetings on [our Board webpage](#), this Board Bulletin provides key takeaways for our Stevenson community.

1. The Board honored several students with the Ambassador Award, our school's highest honor. These individuals were recognized for conducting themselves in such a way that brings distinction to our school. This month, the following Patriots were recognized for a perfect score on the ACT:

- Ananya Anand
- Raina Datta
- Amber Dong
- Benjamin Fei
- Bianca Johnneff
- Allison Kim
- Wenhan Li
- Zhaochen Liu
- Matthew Manda
- Joseph Neela
- Taneesha Pahari
- Asha Sathasivaharan
- Anirudh Srinivasan
- Claire Steiner
- Eric Zhang

2. The Board of Education adopted Stevenson's new Vision Statement and Portrait of a Graduate. The Vision statement reflects what we hope to become as a school community, whereas the Portrait of a Graduate outlines who we hope our students become upon graduation from Stevenson High School. Both documents were updated following many collaborative conversations with faculty, staff and students. Language from both documents are [posted here for the community's reference](#).
3. The Board of Education received a report on Stevenson's 2026 summer school activities, which includes data about enrollment by grade level and course selection. Similar to previous summers, the vast majority of students were incoming freshmen (71% of all students enrolled in summer school) who took World History (a graduation requirement). Other popular summer courses include College Writing Workshop, Computer Programming, Introduction to Business and US History.
4. Superintendent Dr. Wendy Custable provided an update on enrollment at Stevenson High School. As of Aug. 14, total student enrollment stood at 4,680. This figure — which fluctuates slightly in the beginning of the school year — includes all students enrolled at Stevenson High School, regardless of whether they attend full-time, part-time or are outplaced. This is down from last year's enrollment, which stood at ~4,800 students.
