

My Technology Promise

Ross Valley School District

At our school we get to use iPads! These are special tools that help us learn.
We all need to take care of them and use them the right way.

My Technology Promises

I will be GENTLE and CAREFUL with iPads, and all school tech tools.

I will be KIND online. I will NEVER say mean things to anyone on an iPad.

I will only use apps that my TEACHER says are okay for learning.

I will keep my PASSWORD secret. I will only share it with a grown-up I trust (like a parent or teacher).

I will NOT look at, send, or show pictures or messages that are unkind or not appropriate for school.

If I see something online that SCARES ME or makes me feel UNCOMFORTABLE, I will tell an adult right away.

What happens if I break a promise?

If I do not follow these rules, I will not be allowed to use the technology at school for a while.

My Signature

I have read (or had read to me) all my promises. I will follow them!

Student Name (Print): _____

For Parents & Guardians

Our K–2 students use iPads for targeted assessments and small group instruction. Teachers demonstrate and supervise appropriate use daily.

Our schools use Internet filtering tools to restrict inappropriate content in compliance with the Children's Internet Protection Act (CIPA). While we take every precaution, we cannot guarantee students will never encounter inappropriate content; teachers address any issues immediately.

I have read this Technology Use Agreement and talked about it with my child.

Note: Both a parent/guardian AND student signature are required. Without both signatures, the student will NOT be allowed to use school technology.

Parent/Guardian Name (Print): _____

Parent/Guardian Signature: _____

Date Signed: _____ School Year: 20_____
