

Dear Fifth Grader and Family, August 2026

Welcome to fifth grade! I am so happy you will be a member of our class this year. You are in for an exciting year of fun, learning and growing! Together, we will make the most of our time at Jennings and prepare for the transition to the Middle School. So brace yourself and get ready for an awesome year!! Together our effort, attitude, and participation will help build a strong class community and long lasting, happy memories.

To begin, during the first few days of school, we will be getting to know one another. To help me get to know you, look around and collect some items "artifacts" that represent you. And then select 3 - 5 you would like to bring to school in an "artifact bag". All you need to do is place 3 to 5 items that symbolize you into a paper bag. You may decorate it, but please do not write your name on the outside of it. We will be using this for a special activity the first week of school. I have already created one for myself and I can't wait to share these special artifacts. I wonder which one of you will have artifacts about your travels, favorite teams, hobbies, or even ticket stubs? I'm looking forward to seeing your artifacts and learning about you.

"Communication and trust are the 2 main ingredients for a successful relationship". Please don't hesitate to contact me with any questions, concerns or positive feedback at dcampiglia@htsd.us. Before the year begins, I would like to be sure I have the best email to use for communication with all of the parents. If you could kindly respond by listing the best email address/s, I would really appreciate it. This will allow me to compile the most effective address list before the year begins.

The school year will be upon us shortly. I have attached a Summer Reading Bingo, please complete and return on the first day of school. And don't forget your artifact bag! I am really excited for the upcoming school year. It promises to be a 5th grade year filled with fun, challenges, and successes for you!

Enjoy your last couple of weeks. I can't wait to see all of your smiling, eager faces as we journey together through fifth grade.

See you in September! Love, Mrs. Dawn Campiglia
