Mission Statement

Our purpose is to provide a positive learning environment in which students and staff will have the opportunity to experience success and become lifelong learners.

Belief Statement

- A safe, caring, and respectful environment should be reflected throughout the entire school district community.
- High expectations lead to excellent outcomes; all experiences are opportunities to learn.
- Improvement is a collaborative endeavor based on experience and current research.

School District Community Defined

The Frankfort-Schuyler school district community consists of all students and staff, as well as all families, businesses, and community members who reside within the Frankfort-Schuyler Central School District.

Vision Statement

The Frankfort-Schuyler CSD will establish and implement a framework for lifelong learning that incorporates:

- Quality instruction that focuses on each student's needs;
- The provision and use of quality resources;
- Shared decision making driven by information and analysis of school processes;
- Articulated procedures for clear communication and common understanding;
- Professional development and support for continuous learning;
- Parent/guardian, business, and community involvement that supports student success; and
- Comprehensive, ongoing evaluation that assures continuous improvement for all members of the school district community.

SERVING STUDENTS | SUPPORTING EACH OTHER | PARTNERING WITH PARENTS

A SCHOOL COMMUNITY THRIVES WHEN **WE ALL DO OUR PART!**

School Breakfast & Lunch Program

In the 2026-2027 school year, we will be operating under the Community Eligibility Provision (CEP) - meaning all meals are FREE to all students! Families do not need to fill out free/reduced meal applications. However, it is helpful if you complete the income collection form available at ezmealapp.com. This information is processed by Oneida-Herkimer-Madison BOCES and is kept completely confidential. Completion of these forms helps to drive additional funding for our District.

Athletic Code

There is an athletic code (Policy 7052) that applies to all students participating in interscholastic athletics. Coaches will distribute the code to each student. It will be signed by both parent and student and returned to the coach. Students will not participate in the activity until the signed code has been returned.

Early Arrivals

Each school building in the Frankfort-Schuyler Central School District has a beginning time in the morning. We attempt to route and schedule our transportation service so that buses arrive just prior to the opening of school. It is not productive to have students loitering around before school begins, when we are not able to provide supervision.

Some students arrive at school early. If your student walks to school, drives an automobile to school, or if you drop him/her off at school, please try to arrange it so that they arrive just prior to the start of the school day.

Guidance Services

Guidance services are available for every student in the school. These services include assistance with educational planning, interpretation of test scores, occupational and career information, study habits, help with home, school and/or social concerns, and questions the student may feel he or she would like to discuss with their counselor.

Each student will meet at least once annually to review and update their educational plans.

Students wishing to see the guidance counselor should schedule appointments with the secretary in the guidance office. Career files are available in the guidance office for assistance in the choice of a vocation. Scholarship information is available to all interested students.

Snow Days

If snow has fallen heavily during the night and you wonder if school will be open or closed, check these:

- Television stations - WKTV, Spectrum News, WUTR
- Newspaper - Observer-Dispatch
- Facebook and District website

You will be well informed as to closing if you check any of these outlets. Also, you will be informed by the ParentSquare site Notification System. All broadcasters have the school closing news by 6:00 a.m.

Please do not call the school or bus garage asking if school is closing early or will be closed. This ties up the lines when we are trying to gather additional information to notify people of school closing or of early closing. As soon as a decision is made, it will be on all of the above outlets. Your cooperation in this matter will be very much appreciated.

Your children, at any age level, should be instructed by parents as to what to do or where to go if school should close early. Written instructions should be sent to school. We cannot have every child calling parents for last-minute instructions. Again, this ties up school phone lines in an emergency.

You may also view closings and delays on our website: www.frankfort-schuyler.org

FSCS DISTRICT CODE OF CONDUCT SUMMARY

The Board of Education adopted a Code of Conduct Policy that is required by the Dignity For All Students Act.

This extensive document can be summarized very succinctly. It describes, in detail, how students, staff members, and all visitors to our school should conduct themselves. The policy requires all to treat each other, themselves, and school property with RESPECT. Basically, this Code outlines how we should treat ourselves, how we should treat others, and the consequences for disregarding the code.

The Code of Conduct can be found on the District website: www.frankfort-schuyler.org

The code will be reviewed with all students in the fall and key provisions will be outlined in the Student Handbook.

Any resident who has questions or would like to discuss the code is welcome to call Superintendent Joseph M. Palmer at 315.894.5083.

SELECTION PROCEDURES FOR NATIONAL HONOR SOCIETY

As the first step in the process, students' academic records are reviewed to determine those persons who are scholastically eligible for membership, i.e., those persons who meet the required cumulative GPA standard of 90.

As the second step in the process, students are to complete the Student Activity Information Form. This form outlines the candidate's accomplishments in the areas of Service and Leadership.

As the third step in the process, all faculty members are invited to comment on candidates. It is important to note that the five appointed members of the Faculty Council make the actual selection of members. All comments are reported to the Faculty Council to add to their information when considering selections. With the vote on each candidate, those candidates receiving a majority vote of the Faculty Council are notified.

Those students meeting the requirements for Scholarship, Character, and Leadership receive formal notification. Letters are sent to candidates and parents to inform them in writing about selection and the timing of the induction ceremony.

IMPORTANT POLICY UPDATE: CELL PHONE & PERSONAL ELECTRONIC DEVICE POLICY

Cell phone use of any type is prohibited during school hours (8 a.m. - 2:48 p.m.)

The Frankfort-Schuyler Central School District is excited to announce a new Cell Phone and Personal Electronic Device Policy, effective August 1, 2025, for all students, PK-12. This policy, in response to the new NYS Law, reinforces our commitment to maximizing instructional time, promoting face-to-face interactions, and fostering a focused learning environment where every student can "Lead Like a Knight."

What You Need to Know:

- **Devices OFF & OUT OF SIGHT:** All personal electronic devices (cell phones, smartwatches, earbuds, etc.) must be turned off or on silent mode and locked away during the entire school day. Students in possession of a cell phone are expected to lock their phones up with their first period teacher and retrieve the phone at the end of the school day.
- **No Use in Common Areas:** This includes classrooms (unless teacher-directed), hallways, cafeterias, restrooms, etc.
- **Emergency Contact:** Parents should continue to call the main office, nurse's office, or guidance office for urgent messages to students.
- **Progressive Discipline:** Violations will result in devices being confiscated and returned to parents with progressive consequences for repeated incidents.

We believe this policy will significantly enhance our learning atmosphere and support the social-emotional development of our students. The full policy will be detailed in the student handbook and on our district website. Thank you for your partnership!

NYS IMMUNIZATION REQUIREMENTS FOR SCHOOL ENTRANCE/ATTENDANCE

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are an important and valuable part of pupil reporting procedures in our schools. At least one parent-teacher conference is scheduled for each child in grades kindergarten through five in November.

- **Elementary Parent-Teacher Conferences 11/18, 11/19**
- **Elementary Half Days 11/18, 11/19, 11/20**

The value of a parent-teacher conference comes from a frank and honest exchange of information that can help both parties to have a better understanding of the child, his/her abilities, his/her needs, the experiences that have formed his/her background to date and the aspirations that will form his/her education in the future. To help realize this value, we offer the following suggestions for conferencing:

- Please plan to keep the conference schedule.
- If you are unable to keep your appointment, kindly notify the school as soon as possible. Another appointment will be arranged.
- If at all possible, please make arrangements to come to the conference without the child or other children.
- Before attending the conference, you may find it helpful to make a list of things you wish to discuss with the teacher.

ATTENDANCE

All children in New York State of school age are required to attend school.

Continuity of instruction is influenced by the regularity of a child's attendance. For these reasons, it is very important that every child attend school, on time, every day school is in session, unless he/she is ill. If the student is ill, please keep him/her home. His/her attendance in school may infect others and cause more absences. It is required by state law that every absence, excused or unexcused, be explained by a written note from home, signed by the parent/guardian, upon the student's return to school. Please refer to the parent-student handbook for any particulars.

TEXTBOOKS, LIBRARY BOOKS AND CHROMEBOOKS

Textbooks, library books, and Chromebooks are provided for pupils in accordance with NYS Education Law. These books remain the property of the school district and they are loaned to pupils with the understanding that the pupil is responsible for the reasonable care and safe return of any text or library book he or she borrows. Lost or damaged books must be paid for by the students to whom they are loaned, and the payment received is applied to replacement costs.

ASBESTOS

The existence and availability of the management plan for the Frankfort-Schuyler Central School District, which includes information on inspections, re-inspections and response actions, are available at the district office. PESTICIDE NOTIFICATION

Dear Parent, Guardian and School Staff,

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty and staff regarding the potential use of pesticides periodically throughout the school year.

As a reminder, the Frankfort-Schuyler Central School District is required to maintain a list of persons in parental relation, faculty and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following applications are not subject to prior notification requirements:

- a school remains unoccupied for a continuous 72 hours following an application;
- antimicrobial products;
- horticulture oils and soaps;
- granular pesticides;
- injected pesticides;
- spot use pesticides covering an area less than 9 sq. ft. in less than 32 oz. amounts;
- emergency use as long as the NYS Health Commissioner is notified immediately after pesticide use;
- foundation applications meant to control indoor pests;
- nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- silica gels and other nonvolatile ready to use pastes, foams, or gels in areas inaccessible to children;
- boric acid and disodium octaborate tetra hydrate;
- the application of EPA designated biopesticides;
- the application of EPA designated exempt materials under 40CFR152.25;
- the use of aerosol products with a direct spray in containers of 18 fluid ounce or less when used to protect individuals from imminent threat from stinging and biting insects including venomous spiders, bees, wasps and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you have not registered to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form to the left and return it to:

Medication Administration

DURING THE SCHOOL DAY

School policy regarding administration of medication is consistent with procedures established by New York State Education Law.

For students to receive medication (prescription or NON-prescription, including cough drops and other "over the counter" drugs) during the school day, the following procedures **MUST BE FOLLOWED AND RENEWED EACH YEAR:**

1. An order from the prescribing doctor that indicates the frequency and dosage of the prescribed medication,
2. The parent/legal guardian must sign the 'Permission to Administer Medication at School' form, obtained in the Health Office,
3. The medication must be brought to the nurse's office by a responsible adult, in the original container, labeled with the student's name, the name of the medication and the prescribed dosage, and that the medication is to be administered in the nurse's office by the school nurse or her designee. **STUDENTS CANNOT BRING MEDICATION INTO SCHOOL OR CARRY MEDICATION ON THE SCHOOL BUS.**
4. Medications will not be given to treat a fever so the student can stay in school. Students should stay home until they are fever free for 24 hours, **WITHOUT** fever reducing medication.

Unless these procedures are followed, medication **WILL NOT** be administered at school.

Generally, students may not carry medication with them to school. However, if the student's physician requires him/her/them to carry medication, we must have:

- A written order from the physician,
- A signed statement from the physician stating that the student has received appropriate training in the self-administration of the medication(s),
- The parent/legal guardian must sign the 'Medication Independent Carry and Use' form obtained in the Health Office.

Field Trip Guidelines for Medication

1. New York State Medication Guidelines must be followed on local and out-of-state field trips.
2. A parent or guardian may attend the field trip and administer medication.
3. A parent may personally request another adult to attend the field trip and administer medication. You must inform the school district of this request in writing and in advance.
4. Students who have an order to self-carry and self-administer must take medications in original pharmacy bottle. The chaperone in charge of the field trip must be notified.

They must be dated no more than 12 months prior to the start of the school year in which they are required, or the date of entrance to the school for new entrants.

HOME-SCHOOL COOPERATION

It is our goal to provide students with the best education possible. The school needs the interest and participation of parents and community members to achieve this goal.

Several dates are listed on this calendar for parent-teacher conferences as well as special events at the school. We hope you will take advantage of these opportunities so we can share our ideas and concerns.

STUDENT PRIVACY POLICY

The Frankfort-Schuyler Central School District will protect confidential student information and will not improperly collect, use or disclose student information in violation of any applicable law or regulation governing student policy. The policy ensures compliance with the Family Educational Rights and Privacy Act of 1974 and the No Child Left Behind Act. Among other items, the policy allows parents the opportunity to opt their child out of participation in any survey that reveals information on certain types of personal behavior or political beliefs. The policy also allows parents the opportunity of excluding their child from any activities in which personal information will be gathered from students and used for marketing purposes. If you are interested in receiving any additional information regarding the Student Privacy Policy, please contact:

Kacey Sheppard, Asst. Supt. of Business and Technology

THE USE OF SCHOOL FACILITIES

All meetings and other uses of school buildings and grounds will be scheduled on a master list kept in the superintendent's office.

Groups may request the use of the facilities by contacting the principal's office of the school with the desired facility. A form will have to be filled out to request the use of school facilities about two weeks prior to the date required. A certificate of insurance is required. A building permit is then issued for the use of the building.

CAREER & TECHNICAL EDUCATION PROGRAM

Career & Technical Education is a program intended to serve the career needs of our students. Courses are geared to prepare our students to function successfully at an entry level for known job opportunities in the fields of business, industry, and agriculture.

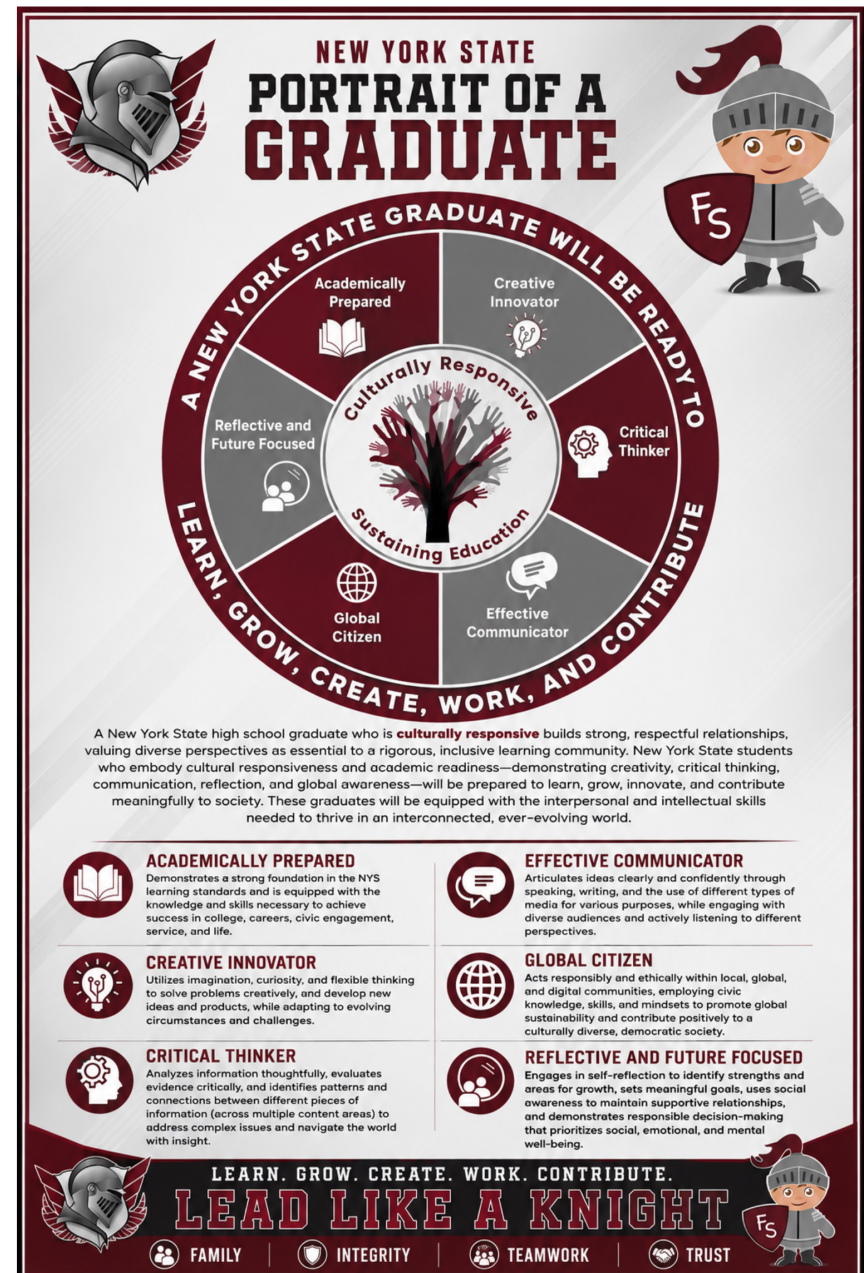

Students who choose to take Career & Technical Education courses spend one-half (1/2) day in their home school, taking required courses of English, social studies, etc., and the other half day at the BOCES Center.

Four units of high school credit are given each year for successful completion of a course. Career & Technical Education programs are designed to be of a two-year duration. A listing of courses offered at BOCES follows. Course description booklets are available in the guidance office.

A MESSAGE FROM BIRNIE BUS SERVICE, INC.

Attention Parents:

We would like to welcome you back for another school year. We hope everyone enjoyed his or her summer and that the 2026-2027 school year goes as smoothly as possible. Please be aware the first few weeks of school are always hectic trying to get the runs down pat. If your child does not attend school on any given day, we ask that you call our office and inform us as early as possible. We have an answering machine, so if your child is not riding, please call 315-797-4933 and leave your child's name and bus route, which helps as our buses do a lot of door-to-door pick ups in the country. Also, if your child is a kindergarten student, we do not drop off without an adult at the stop. We look forward to a safe and enjoyable school year. If you have any questions, feel free to contact our office.

Sincerely,
Birnie Bus Service, Inc.

- All drivers and monitors are fingerprinted, drug tested, and given background checks.
- All drivers must pass a physical at the time of hire and every year after.
- All drivers have a DMV abstract done at the time of hire and every year after.
- Random drug tests are given to employees.
- All drivers must perform a physical performance test at the time of hire and every two years after.
- All drivers and monitors are required to take a two-hour refresher twice a year, along with attending a one-hour safety meeting each month.
- Drivers are required to take a written test every two years.
- Drivers are required to take a defensive driving test every year.
- All drivers are required to meet all DMV Article 19A regulations and state education regulations.
- Drivers are required to meet all DOT regulations.
- Birnie Bus Service, Inc. has 11 mechanics on staff in the Utica-Herkimer terminals.
- Birnie Bus has a road safety supervisor, who follows buses from time to time to ensure drivers are following the rules of the road.
- Birnie Bus has four Article 19A examiners in the Utica-Herkimer terminals.
- Birnie Bus has two school bus driver instructors in the Utica-Herkimer terminals.
- Birnie Bus has two accident investigators in the Utica-Herkimer terminals.

PLEASE FOLLOW ALL BUS AND SCHOOL RULES.

Birnie Bus Service, Inc. would like to welcome
aboard all Frankfort-Schuyler students.

SCHOOL BUS SAFETY TIPS

Remember - loading and unloading remains the moment of greatest potential risk for students using school buses. Simply put, there is inherent danger involved in children getting on and off a large vehicle stopped in the roadway.

Safety tips for students:

- Demonstrate safe behavior at the bus stop.
- Do not move towards an approaching bus until it is completely stopped and the driver signals that it is safe.
- Read and abide by the bus rules poster, which is located inside of every school bus.
- Tell the bus driver, teacher, or parent if something or someone makes you feel unsafe at the bus stop or on the bus.

RULES FOR STUDENT BEHAVIOR ON THE BUS

The purpose of these rules is to help provide for a safe trip for all students. The bus driver has the authority to maintain discipline on the bus. Students who violate these rules may be suspended by the building principal from riding the bus. Parents will be contacted prior to any suspension. All parents are urged to please review the following rules/guidelines with their children before the first day of school.

1. Be ready when the bus arrives.
2. Do not enter or leave the bus when it is in motion.
3. Only cross approximately 15 feet in front of the bus.
4. If you are assigned a seat by a driver, stay in the seat until assigned elsewhere.
5. Remain seated until the bus stops at your destination.
6. Head or arms must not be thrust from bus window. Never tamper with the emergency door or windows.
7. Swearing or other vile language must not be used.
8. The use of tobacco/drugs/liquor is forbidden.
9. Quarreling, fighting, or rough play will not be tolerated.
10. Keep your voices down - loud shouting is a distraction to your driver; it makes good driving difficult and will not be tolerated.
11. Obey your driver. He/she is in complete charge of your bus and is responsible for its safe operation.
12. Help your driver keep your bus neat.
13. Your bus driver is to report irregularities regarding your conduct to your building principal.
14. Pupils shall not carry any item on the bus of the nature, size, and shape that could be dangerous to other passengers or could distract the driver from the task of operating the bus.
15. Parents and/or guardians will be held financially responsible for any willful damage to the interior or exterior of buses by students.

Karen Wasielewski is the Transportation Coordinator for the Frankfort-Schuyler Central School District. All concerns about transportation should be brought to the attention of the building principal or Transportation Coordinator. The phone number for the Transportation Coordinator is 315-895-7781.

FRANKFORT-SCHUYLER CENTRAL SCHOOLS SCHOOL BUS DISCIPLINE CODE

The following code shall apply to all students of the Frankfort-Schuyler Central Schools. The code applies to student conduct on all school bus trips, including regular transportation to and from school, BOCES transportation, and extracurricular transportation. All handicapped students are additionally covered by Basic Unit V of Article 89 of the Educational Law.

The most common violations and corresponding disciplinary action are listed. Incidents involving discipline will be reported in writing by the bus contractor to the appropriate school administrator. Each violation will be treated individually by the administrator and/or the Superintendent of Schools, according to the circumstances of the incident and the previous record of the student involved.

VIOLATION	DISCIPLINARY ACTION
Level I Minor misconduct including standing on the bus while in motion, loud yelling, littering.	Level I Verbal warning by the bus driver, assignment of seats on the bus; written report to administrator by the bus contractor. Action to be considered, but not necessary.
Level II Moderate misconduct including horseplay, pushing other students, profanity, smoking, or repeated Level I violations.	Level II Referrals by bus contractor to the administrator for student conference and consideration of parent conference and/or written warning.
Level III Serious misconduct, including vandalism, insubordination, fighting, use of drugs or alcohol, or repeated Level II violations.	Level III Referral by bus contractor to the administrator for student and parent conference and consideration of 1-5 day suspension from the school bus.
Level IV Major misconduct, including assaulting a driver or staff member, interfering with the operation of the bus, or repeated Level III violations.	Level IV Referral by bus contractor to both the administrator and Superintendent of Schools for 1-5 days of suspension with a hearing and possible long-term suspension from school bus transportation.

- Decisions by the appropriate administrator may be appealed to the Superintendent of Schools.
- Decisions by the Superintendent of Schools may be appealed to the Board of Education.
- Appeals must be in writing and within ten school days of the decision being appealed.

SPECIAL PROGRAMS: ALL STUDENTS CAN SUCCEED!

Response to Intervention (Rtl)

Rtl is a 3-tiered process that identifies struggling students and gives them the academic or behavioral support they need to be successful in school. Students can also receive related services as part of the Response to Intervention model. Rtl includes many different researched-based strategies and interventions that target specific needs for struggling students to catch up and meet grade level standards. An important part of the Rtl process involves progress monitoring that assesses the students' skills and growth which will determine the type and level of support that is needed. The goal of Rtl is to increase the number of students who are successful within the general education setting. Our classroom teachers and Rtl teachers work collaboratively to improve student achievement. We currently have Rtl providers for ELA and math support.

Special Education

We are fortunate to be able to offer a wide continuum of special education services and supports for those students who have been deemed eligible by the Committee on Special Education (CSE) for a Section 504 Accommodation Plan or Individualized Education Program (IEP). We offer Consultant Teacher Services Indirect/Direct, Resource, 15:1 Special Class and High School Life Skills (12:1:1 Special Class) for those students that are alternatively assessed. We offer the following related services: speech therapy, occupational therapy, physical therapy and counseling. We are able to contract with neighboring agencies for students needing other related services, such as Teacher of the Visually Impaired. Each of these services or programs are designed to meet individual student needs and varies in intensity.

English as a New Language

The ENL program supports English Language Learners (ELLs) who are fluent in another language in developing listening, speaking, reading, and writing skills in English, focusing primarily on academic language. Reading instruction focuses on developing proficiency and fluency in reading and understanding a range of fiction and nonfiction texts connected to the themes and topics students encounter in their core content classrooms. Writing instruction focuses on increasing sentence complexity and writing cohesive paragraphs. Listening and speaking development continues to prioritize clear and effective communication requiring the use of increasingly sophisticated vocabulary. The program includes outreach to the families of ELLs and development of cultural understanding and skills to be successful in school.

Please reach out to the CSE office for any additional information at 315-895-7733.
