PARKING:

Students park on the Irving side of the building. Parents use the Ventana entrance for student pickup. Please do not deviate from these designated areas, as students should not have to cross through traffic to reach vehicles. This is an important safety concern.

6441 Ventana Rd. NW, Alb. NM, 87114

505-608-6441

Parents and families, in the next few days, you will be receiving an invitation to ParentVUE, Synergy's parent portal, which will give you convenient access to your student's attendance, grades, gradebooks, and much more. We apologize for the delay, as the invitation was originally scheduled to go out today, but we ran into a small technical snag that the Synergy team is actively working to resolve. We appreciate your patience and understanding and look forward to getting this valuable resource into your hands very soon!

Students MUST bring headphones daily! You cannot hear the lessons in Edgenuity if you don't have them, so it's critical to bring them.

Best Practices for a Successful Day at School include:
