Greetings, HSD Community:

Yesterday, our community demonstrated its commitment to the children of Hazelwood. I want to sincerely thank every resident who took the time to vote. Whether you supported Proposition H or not, your participation reflects the shared responsibility we have for the future of our district. I am especially grateful to those who placed their trust in Hazelwood School District. We do not take that trust lightly. We will honor it through transparency, responsible stewardship, and an unwavering commitment to our students, staff, and families.

This vote is not the finish line. It is the beginning of the next chapter. Together, we will continue building schools where every child has the opportunity to learn, grow, and thrive. Thank you for believing in Hazelwood. We are grateful for your partnership as we continue the work of becoming One Hazelwood. We are ONE HSD!

In partnership,

Dr. Bonita E. Jamison  
Superintendent
