Dear Parents,

My name is Kim Strohl and I am going to be your child's teacher this year. This is my 32nd year of teaching in Haddon Township and I'm so excited to be embarking on a new school year!! My husband and I are residents of Marlton and we have 5 children ranging in ages from 18 to 29. We also have 2 Golden Retrievers, Rosie and Ellie! My hobbies include going to the beach, reading, swimming and spending time with family and friends.

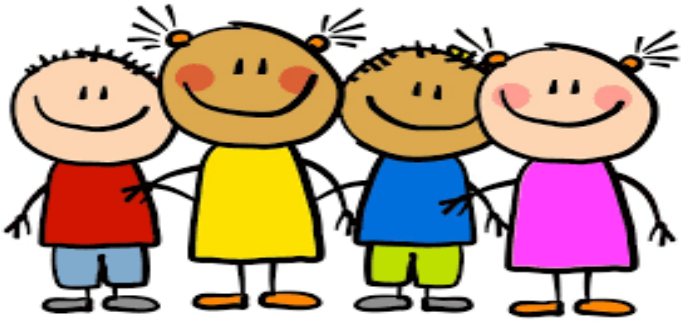

My philosophy of teaching is based on the idea that EACH child is special and unique and that their opportunity for success and achievement should never be limited. I also believe that learning and growth happen most often when children feel safe, protected and when they are given the freedom to express themselves openly. Each school year I strive to create a loving, warm and welcoming environment that is hands-on, exciting and promotes a love of learning! I am so excited to have your child in class this year and look forward to an amazing year of learning and growth for them!

Stay Well! And I look forward to seeing everyone on the first day of school, September 3rd! (It is a ½ day - pack a lunch)

Sincerely,
Kim Strohl
