Additional Information

Oakland has many opportunities for family involved activities. Our PTO hosted a Bingo night as well as two Pastry with Parent events that encouraged families to come and spend time with their children. Our annual Math & Science night allows students and their families to come for a night of seeing and interacting with animals, robots and other scientific processes.

School Statistics/Data

Overall Student Performance

SC Ready English Language Arts and Mathematics

English Language Arts (Reading and Writing) - Percent Met or Exceeding

SIC Goals

SC READY ELA From June 2022 to June 2028, increase the percent of students scoring Meets or Exceeds on SC Ready ELA from 61.1% to 68.9% for all students.

- **Action:** Implement a standards-based curriculum at all grade levels that supports the **SC Profile of a Graduate**.
- **Progress towards goal:** 74.7% of all third through fifth grade students are projected to score Meets or Exceeds on ELA SCReady in May of 2026. (Based on Spring 2026 iready data.)

At Oakland Elementary School, we make data-driven decisions that benefit students and work vigorously to ensure that all of our students receive a high quality education. A student success team (MTSS – Multi-Tier Systems of Support) meets weekly to address student needs. iready reports, FastBridge reports, and a variety of other data are utilized to identify students that need assistance to reach their maximum potential. Interventions are incorporated into student schedules and we monitor student progress to ensure that the interventions are yielding desired results.

Oakland Elementary School

2024-2025 Overall Rating

Excellent
62

School performance substantially exceeds the criteria to ensure all students meet the Profile of the SC Graduate
