Whether you are new or returning you will find SO MUCH useful information (and updates) in this newsletter, so please read it throughly and reach out if you have any questions or concerns. Thank you, and here's to a GREAT year to come!

CHECKING ID'S...

This year we will be checking ID's of everyone picking up a student from Kid's Zone everyday. Even if we know you it's still a great habit for staff to get into, to check ID's for all families. We truly do this for your child's safety so please be ready to comply with this policy this year.

ON THAT NOTE...

If there is an adult you wish to allow authorization to pick up your student from Kid's Zone, please be sure have them listed as an Authorized Pick Up (APU). You can do so by either contacting the KZ office or talking with Ms. Katlyn.

MEET THE STAFF...

MS. KATLYN

Welcome to (or back to ☺) Kid's Zone at Kellybrook! My name is Katlyn Lilly, and I am KZ's site manager here at KB. I am the one who runs and plans the day to day in our program. If you ever have any questions, comments, or concerns I am here to help! This will be my 6th year with KZ, my 4th as a site manager. I've worked in childcare for over 11 years now, and have seen and learned so much over the years. I grew up and have lived in Liberty my entire life, graduating from LNHS in 2015. My husband and I have been married for over seven years, and share 3 children, 7 year old Jameson and 1 year old Presley. We will be welcoming our second son Colton this fall.
I can't wait to see everybody and start our BEST year yet!
