Checking ID's...

We will be checking ID's of anyone picking up a student from Kid's Zone everyday. Even if we already know you it's still a great habit for staff to get into, to check ID's for all families. We truly do this for your child's safety so please be ready to comply with this policy everyday.

On that note...

If there is an adult you would like to pick up your student from Kid's Zone, please make sure they are listed as an Authorized Pick-Up (APU).
You can add someone to your student's APU list by contacting the Kid's Zone office or speaking directly with Ms. Teresa.
Please make sure this is taken care of ahead of time to help ensure a smooth and safe pick-up process.
