Dear Baldwin Families,

As we prepare for the new school year, we want to make you aware of an affordable way to protect the school-issued device your child uses every day.

For just \$32 per year, Smart Tech Insurance covers loss, theft, and damage not covered under the manufacturer's warranty.

This is especially important this year for families of incoming 3rd and 8th grade students, who will be receiving brand-new devices that cost \$850 to replace. Without insurance, families are responsible for the full cost of repair or replacement if a device is lost, stolen, or damaged beyond warranty coverage. One accident can cost far more than the price of a full year of coverage.

Enrollment is quick and can be completed online:

<https://app.smarttechinsurance.com/org/baldwin>

The enrollment deadline is December 1, 2026, but we encourage you to sign up now, before devices are distributed, so your child is protected from day one.

If you have any questions, please contact the main office.

With Baldwin Pride,

Dr. Erica D. Banks (formerly Taylor)
Principal, Baldwin Middle School
