Classroom Ratios

The ISI student-faculty ratio is 6:1 with 13-16 students per class.

Graduation Requirements

All enrolled students participate in the IB Diploma coursework. Those who meet the prescribed levels of proficiency receive the IB Diploma. Due to the nature of our rigorous and internationally recognized curricular framework, all ISI students exceed the requirements of the State of Indiana's Core 40 with an Academic Honors Diploma.

Grading System & GPA Equivalency

Due to our universal application of the IB DP, we use the IB scale for assessment. This scale uses scores from 7 (top) to 1. With only 5% of students throughout the world gaining an IB 7 in any given subject test each year, this standard is exceptionally high. ISI does not calculate class rank.

IB Score	Standard Level DP	Higher Level DP	4.0 Conversion
7	=4.66	=5.00	=A+
6	=4.33	=4.66	=A
5	=3.66	=4.00	=B+
4	=2.66	=3.00	=B-
