## SEAHAWK SPOTLIGHT - CONGRATULATIONS, BRITTANY CREAMER!

**Former nurse brings servant's heart, caring approach, and passion for helping others to FCS**

Franklin County School Administrative Assistant Brittany Creamer plays an important role in supporting students, staff, and daily school operations at Franklin County School.

Before joining Franklin County School in 2025, Creamer worked as a nurse, bringing a strong background in helping and caring for others into her current role. She now works with students and staff across all grade levels, from Pre-K through 12th grade.

Creamer said her favorite part of the job is interacting with students and staff each day while helping with school events and celebrating student achievements. "I love helping with school events, celebrating student achievements, and doing anything I can to help our school run smoothly," Creamer said.

She also expressed appreciation for the school community and the opportunity to make a positive impact on campus. "I truly love my job and being part of the Franklin County School family," Creamer said. "I am thankful to work with such amazing people every day and love being involved in making our school a positive place for everyone."
