SEAHAWK SPOTLIGHT

Ms. Gomer & her students

Congratulations, Christina Gomer !

Thanks for all you do.

Ms. Gomer is the FCS MS/HS ESE teacher, marking 5 years this year . Before making Franklin County home, she worked for the Dayton VAMC in Mental Health for 20 years.

She says, "My students are my favorite part of my job. They are a huge part of my life and they all mean the world to me. I will do all I can within my abilities to help them achieve their goals and to be successful, respectful, and productive members of our community."

Building relationships with my kids has been the foundation of my teaching. Having good relationships means that the students are willing to try harder and providing a place for them to feel safe, loved, and "fed" means that we learn and grow together everyday!!" Another favorite part of her job is "being surrounded by some truly amazing teachers and support staff."

Thank you for all you do! You are appreciated!!"
