Adult Basic Secondary Education (ABSE)

2026 Graduates

High School Diploma (HSD)

The High School Diploma Program is a FREE independent study program with tutoring support if needed. Prospective students begin by gathering all previous high school transcripts and then scheduling a meeting with a counselor at www.oxnardadulted.us. After that meeting, students will meet with a diploma teacher for course assignments and online access. Students can work online, in the ABSE Classroom, or a combination of both. Instructors closely monitor student's lessons and exams and can provide tutoring in problem subject areas. Students can choose to work on one or more classes at a time and work at their own pace. Textbooks can be purchased or borrowed with a deposit at the school office for home use in courses that are not available on line. This program offers continuous enrollment throughout the school year. New and returning students must take the CASAS pre test for new and returning students as well as the CASAS post tests one to two times thereafter each semester.

High School Equivalency (HSE)

This **FREE** program helps prepare students for the HiSET exam offered at Oxnard Adult School. Each participant studies under the supervision of a teacher who supports the students in identified problem areas to gain the skills needed to pass the 5 subject test. This is an open-entry program and students may register at any time during the regular school semester. The program has flexible hours and allows students to contact their assigned instructor when it is most convenient for them. Students may qualify for test vouchers after 40 hours of program time towards the cost of the HiSET exam. New and returning students must take the CASAS pre test for new and returning students as well as the CASAS post tests one to two times thereafter each semester.

The Gateway-In Project® LeadingAge California

Schedule an appointment with the counselor

California has the largest number of older adults in the country and will need an additional 275,000 direct care workers by 2026. Certified Nurse Assistants (CNAs) and Home Health Aides (HHAs) are crucial in nursing care and community facilities, often serving as primary caregivers. LeadingAge California® received over $25 million from the California Department of Health Access and Information (HCAI) for The Gateway-In Project©, aiming to add 2,700 CNAs and HHAs through training and job placement. This program will help address the workforce shortage in healthcare for older adults by offering training, support, and career incentives.

WORKFORCE DEVELOPMENT BOARD of Ventura County

Employment and Earnings Survey

The California Department of Education, in collaboration with the Employment Development Department (EDD), requires Oxnard Adult School to conduct two surveys among the student body to track the results of adult education program participants in the labor market, in accordance with all federal, local laws and mandates. If you choose to share your social security number with Oxnard Adult School, you won't need to complete the survey. Otherwise, you'll be asked three simple questions about your employment status and earnings six months and one year after program completion. This survey is crucial for the school's funding and free services. Contact (805) 385-2578 or eric.saavedra@oxnardunion.org for more information.

El Departamento de Educación de California, en colaboración con el Departamento de Desarrollo del Empleo (EDD), requiere que Oxnard Adult School realice dos encuestas entre el cuerpo estudiantil para rastrear los resultados de los participantes del programa de educación para adultos en el mercado laboral, de acuerdo con todas las normas federales, leyes locales y mandatos. Si elige compartir su número de seguro social con Oxnard Adult School, no necesitará completar la encuesta. De lo contrario, se le harán tres preguntas sencillas sobre su situación laboral y sus ingresos seis meses y un año después de finalizar el programa. Esta encuesta es crucial para la financiación y los servicios gratuitos de la escuela. Comuníquese al (805) 385-2578 o eric.saavedra@oxnardunion.org para más información.

Oxnard Adult School Email for Students

All OAS students must use an OUHSD assigned email address. New students will receive their email addresses upon enrollment, while current students already have assigned emails. For questions or technical support, contact the OAS office at 805-385-2586.

Todos los estudiantes de la EAO deben utilizar un correo electrónico asignado por OUHSD. Los nuevos estudiantes recibirán su correo electrónico al momento de inscribirse, mientras que los estudiantes actuales ya tienen un correo electrónico asignado. Para preguntas o apoyo técnico, comuníquese con la oficina de la OEA al 805-385-2586.

STUDENTS' RIGHTS NON-DISCRIMINATION POLICY*

CFR Title 34 §106.9 prohibits discrimination in education programs and activities by state and federal law. Education Code 200 requires schools to provide equal rights and opportunities regardless of gender, identity, race, religion, disability, sexual orientation, or related characteristics. EC 221.5 specifically bans gender-based discrimination in enrollment, counseling, and sports. Title VI of the Civil Rights Act of 1964 bans race, color, and national origin discrimination. Title IX of the Education Amendments of 1972 and Title IV of the Civil Rights Act of 1964 ban gender discrimination. The ADA and Section 504 of the Rehabilitation Act of 1973 prohibit disability discrimination. The U.S. Department of Education's Office for Civil Rights enforces these federal laws.
