

AM TRAFFIC

When entering using Campus Drive, NOBODY will be allowed to make a left after the guard shack.

FHC ONLY DROP-OFF & STUDENT DRIVERS: Enter campus using Spartan Way and exit using Campus Dr. (This traffic will not be routed to allow for any drop-off at Saeger).

SAEGER ONLY DROP-OFF: Enter using Campus Drive (blue). At the split (yellow star), follow the red arrows toward Saeger. Proceed behind Saeger buses and around the building for drop off. Continue to your student's drop off location. Again pass in front of Saeger (blue) and exit campus.

FHC & SAEGER DROP-OFF: Enter using Campus Drive (blue). At the split (yellow star), continue straight with the buses. Follow the green arrows and pull up as far as you can to drop off your FHC student along the sidewalk that runs the length of the building. Stay in line with the buses and loop around the cones (green). Then proceed into the Saeger lot (red). After dropping off your Saeger student, you will loop back around to the front of Saeger and exit the campus (blue).

ALL BUSES: All buses should enter using Campus Drive (blue). If transporting FHC students, pass the front patio of FHC and pull forward as much as possible before unloading (green). Next, loop around and enter Saeger's lot (red). Pull into the appropriate bus slot (yellow) to unload Saeger students or exit if leaving campus.

STUDENT DRIVERS: Will drive up the rows, creating a line across the back of the parking lot. Students will then create one line leading out of the student parking lot.

FHC Parent Pick-Up: Enter using Campus Drive (blue). If arriving on campus early, building Security will assist cars in parking in front of the busses, at the split (yellow star). Once this location is filled, all guest will remain in line behind the cones, until busses are dismissed. Once our busses are loaded and released, drivers will then pull forward and complete a U-turn down by the athletic stadium (Green arrows). School officials will be located along this route to support and locate any students for you. Due to the high volume of traffic, please stay in line and drive slow to ensure the safety of our students and staff.
