

meet the TEACHER

All About Me

I am so excited to be your PEN teacher this year! This will be my third year teaching PEN, and my 17th year teaching in Central Bucks. In addition to teaching Gifted Support, I have experience teaching 1st, 2nd, 3rd, and 5th grades. This year I will be teaching PEN at Kutz, Butler, and Buckingham Elementary Schools.

Education

I went to college at Penn State University where I received my undergraduate degree in Elementary Education. I received my master's degree at Holy Family University and I also have a Reading Specialist Certification.

Family

I live in Langhorne with Mr. Bartolacci and our two kids: Mia (12) and Evan (9). They are going into 7th and 4th grades. We had a busy summer traveling to Disney World and spending lots of time by the pool! Evan loves baseball and participated in some tournaments. Mia loves to dance and act and was in the play, Matilda, this summer!
