2026-27 Application for Paid Transportation

District 15 provides free bus transportation for students who live more than 1.5 miles from their designated attendance center or within an approved state-designated hazard area. No stops will be made less than one-half (0.5) mile from the school. Parents may choose to pay for bus service on an annual basis for students not eligible for free bus service. If you are interested in paid transportation for your student, a separate application must be completed for each child.

PLEASE NOTE: Due to the bus driver shortage, paid ridership continues to be limited and only offered if space is available on an existing bus route. Applications will be accepted September 1, 2026-October 16, 2026, and bus availability will be evaluated after September 18, 2026. Payment will only be accepted after a parent or guardian has received notification that their application has been approved. A student will be officially assigned to a bus route once payment has been fully processed by the District. Please note that refunds will not be issued if paid ridership is discontinued at any time. For any questions, please contact the school office.
