**Boca Raton Elementary School
2026-2027
Parent Family Engagement Plan Summary**

Parent and Family Engagement Mission Statement

Boca Raton Elementary School (BRES) commits to fostering strong home-school partnerships via transparent, multi-channel communication (text messages, telephone calls, ClassDojo, Messages XR Enterprise, and social media). Recognizing parents as a child's first teacher, BRES works as a unified team to empower families, community partners, and students to reach their full potential.

Annual Title I Meeting

All members of our school community are invited to attend our annual meeting to learn more about our schoolwide Title I program and the requirement of Title I. Our meeting will be held on September 2, 2026 at 9:00 a.m. in the Media Center.

Parent and Family Engagement Trainings

Based on family input, we will provide the following activities to assist families in understanding the state curriculum and Florida State Assessments to help families support their children's academic achievement:

- Family Curriculum Event on September 9, 2026 at 6:00 p.m. The event will inform families about the grade level curriculum and expectations, learning platforms (i-Ready, Reflex Math, Khan Academy), state and grade level assessments, and navigating the SIS Parent Gateway in order to help them support their student's academic achievement.
- Fall Family Literacy Event on October 28, 2026 at 5:30 p.m. The event will inform families on how they can support their children's reading and writing skills at home and provide ideas for them to implement.
- Family Science & Technology Event on February 9, 2027 at 5:30 p.m. The event will provide hands-on activities that show families practical, accessible ways to support and encourage scientific curiosity and questioning at home.

Shared Decision Making

Parents will be invited to attend meetings during the school year to receive academic information, reports, and provide input on ways the school, families, and students can share responsibility for student success. We hope you can join us for our SAC meetings, parent conferences, Title I meetings, and parent training.

Communication

Based on input from our families, we communicate through various channels, including our school website, the Messages XR Enterprise (formerly known as Parentlink), Class Dojo, through emails, telephone calls from teachers, school administration, and parent liaisons and by flyers sent home with your student. Please let us know if communication does not seem to be getting home. Communication between our school and families is essential for building trust and fostering engagement that benefits everyone.

Accessibility for All Families

We encourage all families to attend meetings and events. Meetings and conferences are scheduled with daytime, afternoon, phone, and virtual options. We provide translated documents and assistance through our Community Language Facilitator and Language Line. Please notify the school if other assistance is needed. We want all families to be a part of their student's education!

Volunteers

Families are encouraged to volunteer in our school to help students and teachers be successful. To find out more about volunteer opportunities, please call or come into the front office or let your student's teacher know that you are interested. We would appreciate your support!

Our Plan

This plan was created in collaboration with our school community, staff, and families. We also invite you to attend our annual spring Stakeholder Input Meeting, submit training evaluations, and complete the annual Title I Parent and Family Engagement Survey.

Sincerely,

Sheila Boone
Assistant Principal
