JobSync – Commercial Verifications

Message to Verifiers

Thank you for contacting us with your employment and/or income verification request. We use Verifent to respond to all verification requests. Please see the FAQs/instructions below to obtain the information you need. Once we receive the request through the Verifent website, we will securely respond to your request as soon as possible.

What is Verifent?

Verifent is a secure employment and income verification service that provides credentialed verifiers, who have a valid FCRA permissible purpose, with fast access to employment and income data. It also helps employers manage verification requests quickly and confidently.

Who is a Verifier?

Anyone requesting employment/income info with a valid **FCRA permissible purpose.** All verifiers must be approved.

Types of Verifiers:

- **Commercial:** Mortgage lenders, landlords, employers, etc.
- **Government:** SNAP, Medicaid, WIC, etc.

Instructions:

Visit www.verifent.com.

Register as a Verifier:

- Click **"Get Started"**
- Under **"Verifier,"** select **"Register"**

Submit your request through the Verifent portal. Visit the "**Request an Employment or Income Verification**" guide for detailed instructions.

What You'll Need:

- Our **Organization Code** (listed at the top of this page)
- Consumer's:
  - Full name (as used during employment)
  - Date of birth
  - Last four digits of SSN
  - Proof of consent

For more information, visit www.verifent.com.
