8:10	Receive all Eddington students from all other buses	4:20	Main Rd Eddington School - Box 79
8:23	Eddington School	4:30	Riverside Drive

IMPORTANT TRANSPORTATION UPDATE

Bus Times & Community Stops

Dear Parents and Guardians, As we prepare for the upcoming school year, we want to share an important update regarding bus routes, pickup times, and community bus stops.

Due to our ongoing driver shortage and the need to keep routes running safely and on time, we will be utilizing community stops in certain areas. Instead of traveling to every individual residence, some elementary students will be assigned to a centralized pickup and drop-off location.

ELEMENTARY COMMUNITY STOPS

Upper Wiswell Road:

Students will meet the bus at the stop signs/intersection of Copeland Hill Road and Wiswell Road.

Levenseller Road / Rooks Road Area:

Students will meet the bus at the four corners of Levenseller Road, Rooks Road, and Clark Hill Road.

Route 9 - Lakeside Lane to Route 46:

Students living along Route 9 from Lakeside Lane to the Route 46 intersection, including students from Merrill Road, will meet the bus at Eddington Church.

Rebel Hill Road:

Students living past Spring Pond Road will be picked up at the intersection of Rebel Hill Road and Spring Pond Road.

Bobcat Road:

Students will meet the bus at the end of Bobcat Road where it meets Airline Road.

BUS TIMES

All bus times are estimates. Traffic, student ridership, construction, weather, and other circumstances may cause buses to arrive a few minutes earlier or later, especially during the first couple of weeks of school.

Students should be at their assigned bus stop at least 10 minutes before their scheduled pickup time. This is especially important at community stops.

We will closely monitor routes and make adjustments when necessary. If a significant transportation change is made, we will communicate that information with families.

Our goal remains to provide safe, dependable, and efficient transportation for every student we serve. Thank you for your patience, flexibility, and understanding.

Sincerely,

Zachary Chenier-Holcomb

Director of Transportation, RSU 63
